SEE NOTE #1 FOR PARTIAL RELEASE OF EASEMENT

Said line of towers, pole structures or poles is to be located in, over and across said land on a center line described as:
 Beginning at a point not more than 500 ft nor less than 300 ft East of the West line of Section 1, T 26 N, R 8 E, at a point not more than 1230 ft nor less than 1150 ft North of the East and West 1/4 line of said Section 1, thence Southeasterly to a point not more than 675 ft nor less than 475 ft East of the West line of said Section 1, at a point not more than 950 ft nor less than 850 feet North of the East and West 1/4 line of said Section 1, thence Southeasterly to a point not more than 850 ft nor less than 750 ft East of the West line of said Section 1, at a point not more than 880 ft nor less than 800 ft North of the East and West 1/4 line of said Section 1, thence Easterly to a substation rack to be located not more than 1145 ft nor less than 945 ft East of the West line of said Section 1, at a point not more than 880 ft nor less than 800 ft North of the East and West 1/4 line of said Section 1.

Also conveying the right to cut, trim, remove, destroy or otherwise control (1) all trees and brush now or hereafter standing or growing on the land of Grantor described in this easement within 45 feet on each side of the center line of said line of towers, pole structures or poles, and (2) all trees in excess of 40 feet in height on the land of Grantor described in this easement within 90 feet on each side of the center line of said line of towers, pole structures or poles. The complete exercise of the rights herein granted to cut, trim, remove, destroy or otherwise control trees and brush may be gradual and not fully completed for some time in the future, and Grantee may enter upon said land, from time to time and at no additional cost to Grantee, to cut, trim, remove, destroy or otherwise control trees and brush as aforesaid.

Grantor agrees that, for the protection of said facilities, no buildings or other structures will be placed within 36 feet on each side of the center line of said line of towers, pole structures or poles. Grantee shall pay for all damage to crops arising out of the construction, operation and maintenance of said facilities.

Nonuse or a limited use of this easement by Grantee shall not prevent Grantee from later making use of the easement to the full extent herein conveyed.

Where applicable, pronouns and relative words used herein shall be read as plural, feminine or neuter.

IN WITNESS WHEREOF, Grantor has executed this instrument or has caused this instrument to be executed by its duly authorized officer this 23 day of April, 19 87.

It is the intent hereof to release only the rights and privileges of first party in the land described above expressly released herein, and the remainder of the rights and privileges set forth in said conveyance recorded in Liber 210, Page 111, Alcona County Records, shall remain in full force and effect.

Second party covenants and agrees that it will not place or erect any building or other structures under or over first party's facilities or within the 80-foot strip described above, other than those buildings presently upon said premises without first securing first party's written consent. It is the intent hereof that first party shall have the free and unobstructed use of said 80-foot wide strip of land to operate and maintain its electric lines and related facilities now or hereafter installed on said strip of land.

Second party further covenants and agrees that first party shall have the right to cut, trim, remove, destroy or otherwise control all trees and brush now standing or hereafter growing within 45 feet on each side of the line of towers, poles, or pole structures presently on said land and all trees in excess of 40 feet in height within 90 feet on each side of the line of towers, poles, and pole structures. First party may enter upon said land from time to time, at no cost to first party, to cut, trim, remove, destroy, or otherwise control said trees and brush.

The parties covenant and agree that the provisions of this agreement are not intended to and do not constitute a dedication for public use and that said easement and rights are private and for the benefit of the parties hereto.

The parties further covenant and agree that any notice to be served upon either party shall be in writing and sent by registered or certified mail, return receipt requested, to the following addresses, unless another address is designated by the party:
