Michigan Electric Transmission, an ITC Company
C/O Fernando Guevara
27175 Energy Way
Novi, MI 48377

Attention: Fernando Guevara, Property Management Specialist

SUBJECT: Three Phase, 12240 Volt Distribution line
Reference No: 1001294234/Hawes Twp/Alcona County/Lee

REFERENCE: Amended and Restated Easement Agreement (the "Agreement") dated April 29, 2002, between Consumers Energy Company ("Consumers") and Michigan Electric Transmission Company, now Michigan Electric Transmission Company, LLC ("METC")

Pursuant to Section 7.1 of the Agreement, Consumers hereby notifies METC that Consumers intends to construct a three phase distribution line on certain land in which METC has an interest under the Agreement. The location of the land on which said line will be constructed, and a further description of the intended use, are set forth on "Annex A", attached to this letter.

Under said Section 7.1 of the Agreement, METC must within 30 days of this notice notify Consumers, as "Initiating User," of whether or not METC approves the proposed use as a Compatible Use. If you do not notify us either way within 30 days of this notice, then, as provided in said Section 7.1, METC will be deemed to have approved the proposed use as being a Compatible Use. We would appreciate, however, receiving METC's express approval of the proposed use as being a Compatible Use as soon as possible so that we can start work without delay.

Page Two

Reference No: 1001294234/Hawes Twp/Alcona County/Lee

This letter is being sent to you in duplicate. If METC agrees that the proposed use is a Compatible Use, please indicate that by signing and returning a copy of this letter to us as soon as possible, so that we can immediately proceed with construction. The other copy is for your records.

Very truly yours,

Stacie Lahr

ANNEX A

Reference No: 1001294234/Hawes Twp/Alcona County/Lee

LAND TO BE IMPACTED:

Land located in the Township of Hawes, County of Alcona, State of Michigan, described as follows:

That part of the Northwest 1/4 of Section 20, Township 27 North, Range 08 East, running East of Hubbard Lake Road, Crossing the Section Line at Miller Road.

PROPOSED USE:

See attached 391 form and sketch.

Prepared by:
Stacie M Lahr 11/26/08

Subject: **UAC081574/CU-370**
12240 Volt Distribution Line
Section 20, Hawes Twp, Alcona County

This request is approved. The close proximity of the fiber optic cable to the tower may present minor interference during maintenance or climbing of the tower. CE should consider that possibility. If it of no concern, METC is OK with its location.

RE: 12240 Volt Distribution Line

Dear Stacie:

Michigan Electric Transmission Company, LLC ("METC") advises you that there are no objections to the proposed use. Furthermore, the close proximity of the fiber optic cable to the tower may present minor interference during maintenance or climbing of the tower. CE should consider that possibility. If this is not a concern for CE, METC is OK with this location. If there are any questions concerning this letter, please contact me at (248) 946-3514, email at fguevara@itctransco.com.

Sincerely,

Fernando Guevara

Subject: 12240 Volt Distribution Line
CE Reference No. 1001294234/Hawes Twp/Alcona County/Lee

The attached request was received from Consumers Energy Company. CE is proposing to build a 12240 volt distribution line on certain land in which METC has an interest. Furthermore, pursuant to the Amended and Restated Easement Agreement, METC/ITC needs to submit a response letter to CE by **January, 3 2009**

Please review and return to my attention with your recommendations/comments.
