Jackson, Michigan, second party, receipt of which is hereby acknowledged, Convey ... and Warrant ... to the second party, its successors and assigns, Forever, the easement and right to erect, lay and maintain lines consisting of something poles, wires, cables, conduits and other fixtures and appurtenances for the purpose of transmitting and distributing electricity and/or conducting a communication business on, over, under and across the following described parcel... of land, including all public highways upon or adjacent to said parcel... of land, which parcel... is situate in the ... Township of Alpena County of, and State of Michigan, to-wit:

The East one-half $(\frac{1}{2})$ of the Southwest one-quarter $(\frac{1}{4})$ of Section thirty-four (34), Township thirty-two (32) North, Range eight (8) East, excepting therefrom the West 200 feet of all that part lying Easterly of the Easterly line of Trunk Line Highway US-23, so-called, also excepting therefrom a parcel of land described as beginning on the Westerly line of said Highway at a point 454 feet Northerly, measured along the Westerly line of said Highway of the South line of said Section, running thence Westerly at right angles to said Highway 200 feet, thence Southerly parallel with said Highway 100 feet, thence Easterly 200 feet to a point on the Westerly line of said Highway 100 feet Southerly of place of beginning, thence Northerly along the Westerly line of said Highway 100 feet to place of beginning. Also enc. parcel of land out of West side thereof now owned by Alfred I. Bradbury. The route to be taken by said lines of toportax poles, wires, cables and conduits across, over and under said land being more specifically described as follows:

Second party may locate said route on, over and across said above described land along or adjoining as near as practicable a line, which said line is described as beginning at a point not more than 200 feet West of the North and South quarter line of Section 35, Township 32 North, Range 8 East at a point not more than 200 feet South of the North line of said Section, running thence Southwesterly to the West line of Section 34 of said Township at a point not more than 300 feet nor less than 100 feet North of the South line of said

With full right and authority to the second party, its successors, licensees, lessees or assigns, and its and their agents and employees, to enter at all times upon said premises for the purpose of constructing, repairing, removing, replacing, improving, enlarging and maintaining such cables, conduits and NOWARNS, poles and other supports, with all necessary braces, guys, anchors, manholes and transformers, and stringing thereon and supporting and suspending therefrom lines of wire, cables or other conductors for the transmission of electrical energy and/or communication, and to trim, remove, destroy or otherwise control any trees and brush which may, in the opinion of said second party, interfere or threaten to interfere with or be hazardous to the construction, operation and maintenance of said lines. It is expressly understood that no buildings or other structures will be placed under such wires and/or over such cables without the written consent of said second party. It is expressly understood that non-use or a limited use of this easement by second party shall not prevent second party from later making use of the easement to the full extent herein authorized.

Second party to pay at the rate of Eighty Dollars (\$80.00) per mile of length of the line of poles and wires across said above described premises, the same to be paid before any work is done on the land, and also to pay for any damage to crops in erecting and maintain-
