NOTE #2 cont.

Along with temporary construction rights over a 10-foot wide strip of land on either side of the above-described parcels.

The license hereby conveyed is for the sole and only purpose of construction, inspecting, repairing, replacing, removing, reconstruction, and maintaining over and across said land no more than three gas pipelines in each above-described 20-foot wide strip of land consisting of one existing 6-inch gas pipeline, and 2 additional gas pipelines one to be a maximum of 4 inches in diameter and the other to be a maximum of 6-inches in diameter. In addition, Licensee may construct two brine pipelines one to be a maximum of 2 inches in diameter and the other to be a maximum of 4-inches in diameter.

All pipelines shall run parallel to the center line of the 20-foot-wide strips of land. If any portion of the above-described parcels shall parallel Licensor's existing electric tower line, then no pipeline shall be closer than 60 feet to the center line of said existing electric tower line. Furthermore, all pipelines shall be buried at a minimum of 3 feet beneath the surface of the land, as measured from the surface of the land to the top of each pipeline. The access roadway may be located anywhere within the above-described parcels of land.

It is understood that the license herein granted for use of the above-described premises is non-exclusive. Without limiting the foregoing, Licensor expressly retains the right to the use and possession of the premises for its purposes, including, without limitation, electric and gas transmission and distribution lines and all appurtenances used or usable in connection therewith, and the right to enter upon said premises at all times for the purpose of constructing, operating, maintaining and patrolling said lines and construction, maintenance, operations and patrols.
