The right of way for a certain Drain, hereinafter and more particularly designated and described, over and across the following lands owned by us, and situated in the Township of Standish, County and State aforesaid, and more particularly described as follows, to-wit:

A strip of land four rods wide extending from Tower #943 to Tower #944, the center line of sd drain being approx. 440 Ft. S of Tower #943 and 102 Ft. N of Tower #944, sd strip of land adj. & abutting on the E side of the Detroit & Mackinac RR in Sec. 8 & 17 of T 18 N, R 5 E, of the principal Meridian of Mich.

The Right of Way hereby conveyed & released is for the sole & only purpose of deepening, widening & straightening over and across sd premises a certain Drain, application for which in writing was made on the 1st day of Nov. A.D. 1924, by Gilbert Trombley and others, & the necessity for which has been determined by the Board of Determination appointed by the Hon. Judge of Probate of the County of Arenac, State of Mich., which Board determined that said drain was a necessity & necessary & conducive to public health, convenience & welfare, & the practicability thereof has been determined by sd County Drain Commissioner in his order bearing date this 26th day of March A.D. 1925, in which order the route & course of sd Drain is described as follows: to-wit:

Minutes of Survey of Buck Drain; being in the township of Standish, County of Arenac, and State of Michigan.

Commencing at a point on the sec. line between sec. 10 & 15, T 18 N, R 5 E, Meridian of Michigan, where sd sec. line intersects the shore of Saginaw Bay, at the waterline as indicated Dec. 13, A.D. 1924. The sd point of beginning being further desc. as follows, to-wit: A point 33.42 chs. E. of the sec. corner common to sec. 9-10-15 & 16 of T 18 N, R 5 E, running thence W 707 Chs. Thence N 78° W, .93 Chs. N64°W, 1.40 Chs. to a point 24.17 Chs. E. & .75 Chs. N. of the sec. corner common to sec. 9-10-15 & 16. Thence running W'ly parallel with the sec. line between Sec. 10 & 15, to the section line between sec. 9- & 10, 24.17 Chs. intersecting sd sec. line between sec. 9 & 10 .75 Chs. N. of the sec. corner common to sec's. 9-10-15 & 16; thence W'ly parallel with the sec. line between sec's. 9 & 16, 79.61 Chs. to sec. line between sec's. 8 & 9, intersecting same .75 Chs. N. of the sec. corner common to sec's. 8-9-16 & 17. thence cont. same course .82 Chs. thence S64°W. 2 Chs. to a point .35 Chs. N. of the sec. line between sec's. 8 & 17; thence W'ly 24.70 Chs. parallel with the sec. line between sec's. 8 & 17 to the E. 8th line in sec. 8, continuing & intersecting the Detroit & Mackinac RR track at a point where the centerline of sd rr track intersects the centerline of Standish C Drain, thence following the course

NOTE #1 Continued

of the Standish C. Drain as follows, 12.32 Chs. to the N & S $\frac{1}{4}$ line in sec. 8, thence 9.34 Chs. to end of line of sd Buck Drain. Total length of the centerline of sd drain is 162.36 Chs. or 649.4 rods, or 10,715.1 ft. The average width of sd drain is 14.035 feet.

The average Depth of said drain is 4.84 feet

The estimated cubic yds of excavation is 27,000. Cu. Yds.

The width of the bottom of sd drain is 12 feet from station 0 to station 30, & 10 ft. from station 30 to station 56, & 8 ft. from station 56 to station 69/ & 6 ft. from station 69 / to station 81. The width of the top of said drain shall be twice the depth added to the width of the bottom. The slope of the banks shall be one foot horizontal to one foot vertical. Fifty feet on each side of the center line of said drain shall be required for a right of way, for the purpose of working teams and machinery and to deposit the excavations taken from sd drain.

There will be two highway bridges required, & four private crossings.

The estimated cost of construction will be as follows, to-wit:

For excavating 27,000 cu. yards of earth at \$.20 per yard	\$5600.00
For 325.49 Cu. Yds. Concrete placed at \$15.00 per yard	4882.35
For Steel tops for bridges	1200.00
For Survey and contingent expenses	1317.65
Total Cost	\$13000.00

This release is executed by Consumers Power Company and accepted by the County Drain Commissioner of sd County of Arenac, for and on behalf of sd County, subject to the following conditions to-wit:

No work shall be done in connection with the construction or maintenance of said drain, which shall in any way interfere or threaten to interfere with the towers and other supports, and the wires constituting the transmission line of sd Consumers Power Company, nor with the poles and wires constituting the telephone lines of sd Company, now or hereafter located upon the above described parcels of land. Said drain shall be so constructed and maintained as at no time to interfere with the operation and maintenance of said transmission and telephone lines.

No part of sd drain, nor any of the excavated material therefrom shall be located or deposited within four rods from the foundations of the towers or poles now located upon sd premises, nor shall the deposits of earth and other excavated material be so placed as to cause or permit water to back up around said foundations or poles.

It is distinctly agreed that no work shall be done in connection with sd drain, either as to its original construction, or the maintenance thereof, which shall in any way interrupt the service of sd Consumers Power Company, furnished by sd transmission line & telephone line, & the sd Consumers Power Company shall be fully indemnified by the sd County of Arenac for any loss incurred by reason of any suspension or interruption of service, or damage to any of its property, arising out of the construction, maintenance or use of sd drain.

In case it shall be necessary to temporarily elevate any of the wires of sd Company, in the course of the construction or maintenance of sd drain, at least seven days' written notice in advance shall be given to said Company at its Jackson office, duly directed to the Manager of sd Company's Production & Transmission Department, of the desire to have such wires elevated, whereupon the same shall be elevated by the Company's employees at such time & manner as shall least inconvenience the Company's business, and the sd County Drain Commissioner shall & does hereby agree to reimburse sd Company out of its drain funds in his hands, or otherwise, for the actual cost & expense of elevating the sd lines & restoring the same, & for any interruption or suspension of service occurring, which sd sum shall be pd upon receipt of proper invoice covering such cost & expense.

This conveyance is based upon the above described line of rte & shall be deemed to incl the extreme width of sd Drain as shown in the survey thereof, to which survey reference is hereby made for a more particular desc & includes a release of all claims to damages in any way arising from or incident to the opening & maintaining of sd Drain across sd premises, & also sufficient ground on either side of the center line of sd Drain for the construction thereof, & for the deposit of the excavations therefrom.
