EASEMENT

On March 21, 2012, for good and valuable consideration, the receipt of which is hereby acknowledged, Grantor conveys and warrants to Grantee, its successors and assigns, a permanent, perpetual easement over, under, across and through a part of Grantor's Land called the Easement Area, as herein described.

Grantor is: Saginaw-Midland Municipal Water Supply Corporation, a nonprofit municipal corporation, of 4678-3 Mile Road, Bay City, Michigan 48706-9452.

Grantee is: Michigan Electric Transmission Company, LLC, a Michigan limited liability company, of 27175 Energy Way, Novi, Michigan 48377.

Grantor's Land is in Section 15, Township 19 North, Range 5E, City of Omer, County of Arenac and State of Michigan, and is more particularly described and shown as such on the attached Exhibit A.

The Easement Area is within Grantor's Land, and is described as all that part of the Grantor's Land which lies within 85 feet on each side of the electric transmission line, as more accurately described and shown on Exhibit A hereto.

1. Purpose: The purpose of this Easement is to allow Grantee the right to enter at any time upon the Easement Area to (1) operate, maintain, repair, inspect, replace, improve, enlarge or remove overhead electric lines consisting of poles, towers, structures, wires, cables (including fiber optic cable) and other equipment for transmitting electrical energy and communications signals, (2) cross the Easement Area to construct, operate, maintain, repair, inspect, replace, improve, enlarge or remove overhead electric equipment located on other land, and (3) temporarily improve the surface of the Easement Area, as reasonably necessary, in Grantee's discretion, to place and operate Grantee's construction vehicles and equipment; provided Grantee shall remove such temporary surface improvements, and repair pavement and reseed lawn areas it disturbs.

2. Buildings or other Permanent Structures: No buildings, fences or other above-ground structures shall be installed, constructed or permitted in the Easement Area, with the exception of any such structures existing at the time of execution of this Easement. Grantee may remove prohibited structures from the Easement Area without prior notice and without responsibility for any damage that occurs as a result of such removal.

3. Vegetation Management: Grantee shall have the right at any time to cut, trim remove, destroy or otherwise control any or all trees, bushes, or brush now or hereafter standing or growing within the Easement Area. The complete exercise of this right may be gradual and not fully completed for some time in the future.

4. Access: Grantor also grants to Grantee the right of access, ingress and egress to the Easement Area on, over and across lands now owned by the Grantor.

5. Limited Use; Nonuse: Nonuse or limited use of the rights herein granted shall not prevent later use to the full extent herein conveyed.

6. Successors: This easement runs with the land and binds and benefits Grantor's and Grantee's successors and assigns.

7. Crop Damage: Grantee shall pay for actual damage to crops located within the Easement Area, arising out of Grantee's maintenance of the transmission line within the Easement Area.

This easement is exempt from real estate transfer tax pursuant to MCLA 207.505(f) and from State real estate transfer tax pursuant to the provisions of MCLA 207.526(f).
