Subject: Alameda-Twining Rebuild Project

Attached is a revised option agreement, originally signed by you and the owner August 2011. The owner at that time indicated that if the width of the easement, once surveyed, was more than 19 feet, we would need to renegotiate the easement fee.

As you can see by the attached copy that was faxed to me, the easement width did increase as well as the amount. I failed to have you sign this copy when that occurred and now we need your signature to close. (see Dan's response to my email regarding what happened.) I only discovered the oversight yesterday.

If you have any questions, I'm here all day.

Thank you,

Subject: REVISED ALMEDA-TWINING OPTION

Dan:

Attached is one of the Alameda-Twining options that got revised after we determined the width to be more than 19 feet. The owner had indicated to Bill Z. before the first option was signed that if the width was more than 19 feet, they wanted to renegotiate easement fee.

As you can see by the changes, the easement ended up being 34 feet and the fee was increased to \$1500.00. Bill faxed the revised option to me but I failed to have Christine sign it and now we're ready to close and I need Christine to sign the option before we close but I wanted to make you aware of what happened.

Let me know if you have any questions.

Thanks - Barb

THIS EASEMENT OPTION AGREEMENT ("Agreement") is made this 30th day of AUGUST, 2011, by and between Edith Trombley A WIDOW - TRUSTEE OF THE whose address is 4288 Arenac State Road, Standish, MI 48658-9605 ("Grantor") and Michigan Electric Transmission Company, LLC, a Michigan limited liability company, whose address is 27175 Energy Way, Novi, Michigan 48377 ("Grantee"). The Grantor and Grantee are at times collectively referred to hereinafter as the "Parties" or individually as the "Party".

EDITH TROMBLEY TRUST DATED JULY 31ST 2000

RECITALS

A. Grantor is the owner of that certain real property located in Section 22, Arenac Township, Arenac County, Michigan, as more particularly described on Exhibit A attached hereto (the "Property").

W.H.G.
EX. 34 (THIRTY-FOUR)

B. Grantee desires to obtain an option for an easement over the Westerly 34 feet, more or less, (the "Easement Area") of the Property. The Easement Area shall be more particularly described in the Survey to be obtained by Purchaser pursuant to Section 4 of this Agreement;

AREA NOT TO BE MORE THAN 19' ALONG CONSUMERS ENERGY FACILITY
W.H.G.
EX. 3

NOW THEREFORE, in consideration of the sum of \$ 200.⁰⁰ Dollars (Two Hundred) (the "Option Payment"), to be paid by Grantee to the Grantor, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties hereby agree as follows:

AGREEMENT

1. Grant Of Option. Grantor hereby grants to Grantee the right and option ("Option") to obtain an easement on, under, over and across the Easement Area. The Option Payment shall be made by Grantee to Grantor within thirty (30) days of the execution of this Agreement.

2. Exercise Of Option. The Option may be exercised in writing at any time on or prior to twelve (12) months after the date of this Agreement ("Option Period"). If the Option has not been so exercised, it shall be automatically extended for one (1) additional Option Period of twelve (12) months, unless Grantee gives written notice to the Grantor of the intent not to extend the Option Period prior to the end of the initial Option Period. The Option Period may be further extended by mutual agreement in writing of the Parties. Grantee shall not be required to exercise the Option. Should Grantee fail to exercise this Option or any extension thereof within the Option Period, all rights and privileges granted hereunder shall be deemed completely surrendered, this Agreement terminated, and Grantor shall retain the Option Payment, and no additional money shall be payable by either Party to the other. Grantor hereby agrees that during the Option Period, Grantor shall not, without the prior written consent of Grantee (i) sell, transfer, assign, convey or dispose of any of its rights under this Agreement, or its rights or interests in the Property, or (ii) grant any lien or encumbrance on or permit any lien or encumbrance on the Property, or (iii) grant any easement or right-of-way in, on or with respect to the Property, or (iv) grant any lease, license or other right to use or occupy the Property to any person.

3. Purchaser's License. As of the date of this Agreement, Grantor grants to Grantee, its agents and employees a non-exclusive license (the "License") to enter the Property to conduct such surveys, inspections and tests as Grantee deems necessary, including but not limited to soil borings, to determine whether or not it wishes to exercise the Option granted herein. Grantee agrees to indemnify, defend, and hold Grantor harmless from any and all loss, claim, action, demand and liability relating to or arising out of Grantee's, or its agents', employees', representatives' or contractors' entry upon the Property under

this paragraph which may arise against Grantor. If Grantee determines, in its sole and absolute discretion that the condition of the Property is not acceptable to Purchaser, then Purchaser may, at any time prior to expiration of the Option Period, terminate this Agreement by giving Seller written notice of termination, in which event neither party shall have any further liability hereunder.

4. Survey. Grantee shall, at Grantee's cost and expense, obtain a survey of the Easement Area prepared by a registered land surveyor ("Survey"). The Survey shall be in such form and content as is acceptable to Grantee in Grantee's sole discretion. The legal description from the Survey shall be the legal description used in the Easement described in Section 5 below and every other instrument or agreement referencing the Easement Area. The Survey shall set forth the exact size and location of the Easement Area.

5. Execution of Easement. Upon Grantee's exercise of the Option, Grantor shall, within five (5) days after Grantee's exercise of the Option, execute and deliver the Easement to Grantee in the form attached hereto as Exhibit B (the "Easement").

6. Easement Consideration. As consideration for the granting of the Easement, Grantee shall pay to Grantor the sum of \$ ~~650.00~~ ^{1,500.00} dollars, which sum shall be paid simultaneously with the execution and delivery of the Easement (the "Easement Consideration").

7. Memorandum of Option. Grantor agrees to execute a Memorandum of this Agreement which Grantee may record with the appropriate Recording Office in the County where the Property is located. The date set forth in the Memorandum is for recording purposes only and bears no reference to commencement of the term of the Option Period.

8. Notices. Notice of the exercise of the Option shall be given by Grantee to the Grantor in writing by (1) certified mail, return receipt requested, or (2) by overnight courier, provided the courier's regular business is delivery service at the addresses set forth above. Notice shall be deemed effective on the date it is sent.

9. Mortgagee Consent. In the event there is currently a mortgage on Grantor's Property which requires the Mortgagee's consent to the execution of the Easement, Grantor will obtain the mortgagee's consent to the execution and recording of the Easement in advance of execution. If Mortgagee consent is required, then the Easement Consideration shall not be payable to Grantor unless the Mortgagee consents to the execution of the Easement in writing.

10. Title. Grantor represents and warrants to Grantee as of the execution date of this Agreement, and covenants during the Option Period that Grantor is seized of good and sufficient title and interest to the Property and has full authority to enter into and execute this Agreement and the Easement.

11. Integration. It is agreed and understood that this Agreement contains all agreements, promises and understandings between Grantor and Grantee and that no verbal or oral agreements, promises or understandings shall be binding upon either Grantor or Grantee in any dispute, controversy or proceeding at law, and any addition, variation or modification to this Agreement shall be void and ineffective unless made in writing signed by the Parties. In the event any provision of the Agreement is found to be invalid or unenforceable, such finding shall not affect the validity and enforceability of the remaining provisions of this Agreement. The failure of either Party to insist upon strict performance of any of the terms or conditions of this Agreement or to exercise any of its rights under the Agreement shall not waive such rights and such Party shall have the right to enforce such rights at any time and take such action as may be lawful and authorized under this Agreement, in law or in equity.

12. Governing Law. This Agreement and the performance thereof shall be governed, interpreted, construed and regulated by the laws of the State of Michigan.

JOINT TRUST AGREEMENT

TROMBLEY TRUST NO. 1

We, **Edsel C. Trombley and Edith M. Trombley**, on the 31 day of July 2000, sign this Trust Agreement ("Agreement") with **Edsel C. Trombley and Edith M. Trombley** as initial trustees, both of whom, and the survivor of them, and any successor trustee, will be called "Trustee" in this Agreement and referred to in singular neuter pronouns.

Trustee shall hold all property delivered to it, in trust, as follows:

1. RIGHTS RESERVED

1.1 Revocable Trust. We reserve the right to amend or revoke this Agreement, wholly or partly, by a writing signed by us or on our behalf and delivered to Trustee during our life. However, we cannot change materially the duties or compensation of Trustee without its written approval.

1.2 Additions and Withdrawals. We reserve the right to add property to, and withdraw property from, the trust.

2. DISTRIBUTION DURING LIFETIME

2.1 Income and Principal. While either of us is alive, Trustee shall pay all the net income to us or for our benefit, or as we otherwise direct orally or in writing, and Trustee shall pay any part of trust principal as we direct in writing. However, during any period in which, in Trustee's opinion, we are incapable of managing our own affairs, Trustee shall pay to or use for our benefit the net income and principal that Trustee determines is required for our support, comfort and welfare, in our accustomed manner of living, or for any other purposes Trustee believes to be for our best interest.

2.2 Distributions in Event of Grantor's Incapacity. If, due to physical or mental incapacity, the Grantor(s) is/are, in the opinion of the Trustee(s), unable to administer such income or to exercise Grantor's right to withdraw principal, the Trustee shall, from time to time, distribute to or expend for the benefit of the Grantor and those dependent upon him/her so much of the income and sufficient

principal, which, together with funds available from other sources and which, together with funds available from other sources and known to the Trustee, will, in the discretion of the Trustee and consistent with the value of the Trust, maintain Grantor and those dependent upon Grantor as nearly as possible in the mode of living to which Grantor and they were accustomed prior to Grantor's become incapacitated unless Grantor(s) is/are in a long term care facility for a period of Ninety (90) days, or more, at which time Trustee(s) discretion to distribute said fund to said Grantor shall cease.

3. DISTRIBUTION AFTER DEATH OF BOTH GRANTORS

3.1 Claims and Taxes. At our deaths, to the extent the assets of ours (other than tangible personal property and any property that in Trustee's judgment does not have a readily realizable market value) are insufficient, Trustee shall pay all estate, inheritance, and other taxes payable as a result of our deaths, including interest and penalties, but excluding taxes imposed on any generation-skipping transfer of assets that are not part of our estate or of a trust we created. Trustee also may pay (1) expenses of our last illness and deaths; (2) claims against our estate; (3) expenses of administering our estate; (4) any allowances by court order, statute, or rule for those dependent on us; and (5) all or part of gifts provided by our wills. Trustee may make payments directly or to the personal representative of our estate. Written statements by the personal representative of our estate of the amounts to be paid shall be sufficient evidence for Trustee's protection. Trustee has no duty to see to the application of the payments. Trustee shall use any U.S. Treasury bonds included in our gross taxable estate, which are redeemable at par to pay federal estate tax, to pay that tax if it is imposed on our estate.

3.2 Tangible Personal Property. If one of us should predecease the other, all tangible personal property shall go to the survivor. At our deaths, Trustee shall deliver free from trust all tangible personal property according to the terms of a list we have made or may make, signed and dated by us. All remaining property shall be delivered to our children who survive us, in portions of equal value, divided as they agree, or if they do not agree within a reasonable time, as Trustee determines. "Tangible personal property" means personal (not used primarily in a business) boats, books, china, clothing, furnishings, furniture, glass, household items, jewelry, lawn and garden equipment, motor vehicles, personal effects, pictures, recreational items, rugs, silver, works of art, and any other similar items, and includes any insurance on those assets. Trustee shall determine which items are within this definition, and the determination shall bind all persons.

3.3 Specific Request: **Kathie A. Dellura** shall receive a specific bequest amount of money as determined by the following:

Double the state equalized value of each of the 6 (six) pieces of property described in §3.4 shall be added together and divided by 6 (six) to determine an "average amount". Trustee shall distribute to **Kathie A. Dellura**, outright and free from trust, the "average amount" in cash or cash equivalent.

3.5 Distribution of Assets on the Death of the Surviving Grantor. Our intent is that our children each receive an equal distribution. This shall determine the value of each specific devise in ¶3.4. The remaining trust properties shall be

divided into separate trusts, equal in value, including the amount determined in the specific devise in ¶3.4, one for each living child of ours and one for the then living descendants, collectively, of each deceased child of ours. In order to make all distributions of real property under ¶3.4 equal, it may be necessary for the Trustee to use other Trust assets, including cash, or other liquid assets. Our children living at the time of creation of this document include:

Kathie A. Dellura, born April 28, 1952;
Ivonne M. Jurek, born March 23, 1953;

Trustee shall distribute each trust set aside for a living child to the child outright and free from trust. Trustee shall also distribute each trust set aside for living descendants of a deceased child of ours to the descendants, by right of representation, outright and free from trust.

Included in determining the equalization of each trust, all debts owed to us shall be subtracted prior to distribution. Any and all loans provided for the beneficiaries are documented by Exhibit A attached hereto and incorporated herein by reference.

4. TRUSTEE

White.** Second, **James D. Trombley.** Third, **Clare F. Trombley.**

Trustee shall incur no liability for any payment or distribution made in good faith without actual knowledge of a changed condition affecting any person's interest in the trust.
