Re: David H. Rusch

Dear Sir:

We have been advised by our attorney that before we can deliver a subordination of our mortgage to you we are required to have the proceeds which would be paid to Mr. Rusch applied on his loan.

To do this we have to know how much the payment is and prepare an assignment form.

If you will let us know what this payment is we can prepare the assignment.

As soon as the assignment is completed we will deliver the subordination.

Sincerely yours,

Charles E. Kelsey

Dear Mr. Rusch:

The Detroit Edison Company has requested that we subordinate your real estate mortgage to allow them to erect a power line across your farm.

Our attorney has determined that any money received from the payment of the right of way will have to be applied on your loan as an extra payment. In writing to Mr. Gambel at Detroit Edison I find that you have already been paid \$45 for this right of way.

Before I can execute the subordination you will have to send this amount in as an extra payment on your account. This should be taken care of as soon as possible.

Sincerely yours,

Charles E. Kelsey
County Supervisor
