AGREEMENT - EASEMENTS - RESTRICTIONS

Paul M. Lewis
INGHAM COUNTY, MICH.

This instrument made this 26th day of March, 1973, by and between the undersigned Owners of land and THE DETROIT EDISON COMPANY, a corporation organized and existing concurrently under the laws of the states of Michigan and New York, of 2000 Second Avenue, Detroit, Michigan 48226, hereinafter referred to as "EDISON", and Rural Telephone Company, a Michigan corporation, of Stockbridge, Michigan, hereinafter referred to as Rural.

W I T N E S S E T H

Owners are developing a mobile home park in the Township of Leroy, County of Ingham, State of Michigan, and described in Appendix "A", attached hereto and made a part hereof, and EDISON and Rural will install their electric and communication facilities underground except necessary above ground equipment.

NOW, THEREFORE, in consideration of the mutual promises and covenants for the installation of underground utility services made by the parties hereto, it is mutually agreed:

(1) The installation, ownership and maintenance of electric services and the charges to be made therefor shall be subject to and in accordance with the Orders and Rules and Regulations adopted from time to time by the Michigan Public Service Commission.

(2) Owners must certify to EDISON and Rural that easements are graded to within four (4") inches of final grade before the underground facilities are installed.

(3) Owners to place survey stakes before trenching to properly indicate perimeter property lines, trailer lots and route of EDISON and Rural lines.

(4) Owners to provide for clearing the easements of trees, stumps, and obstructions sufficiently to allow trenching equipment to operate.

(5) Owners agree to provide adequate cabinet space or meter pedestal for a communications terminating facility of a type approved by Rural.

(6) Owners further agree that if subsequent to the installation of the utility facilities of EDISON and Rural, it is necessary to repair, move, modify, rearrange or relocate any of their facilities to conform to a new plot plan or change of grade or for any cause or changes attributable to public authority having jurisdiction or to Owners action or request, Owners will pay the cost and expense of repairing, moving, rearrangement or relocating said facilities to EDISON or Rural upon receipt of a statement therefor. Further, if the lines or facilities of EDISON and Rural are damaged by acts of negligence on the part of the Owners or by contractors engaged by Owners, repairs shall be made by the utilities named herein at the cost and expense of the Owners and reimbursement shall be paid to EDISON or Rural upon receiving a statement therefor. Owners are defined as those persons owning the land at the time damage occurred.

(7) Owners hereby grant to EDISON and Rural easements satisfactory to the utilities for electric and communication services in land herein described. When utility lines are installed, this instrument shall be re-recorded with an "as installed" drawing, showing the location of said facilities and indicating the easements by their centerlines. Easements shall be six (6') feet in width unless otherwise indicated on said drawing.

(8) EDISON and Rural shall have the right of access at all times upon premises for the purpose of constructing, repairing and maintaining their electric and communication facilities.

(9) Easements herein granted are subject to the following restrictions:

- a. Said easements shall be subject to the Rules and Regulations adopted from time to time by the Michigan Public Service Commission.
- b. Cement patios or pads for trailer utility sheds shall not be placed over utility lines.
- c. No shrubs or foliage shall be permitted within five (5') feet of the front doors of transformers.

(10) Any of the undersigned who are vendors on land contracts where- in a portion of the lands described herein are being sold shall not be liable to Rural or EDISON unless and until the interest of the vendees, under any such contracts, have been forfeited and damage to utility lines and equipment occurs after such forfeiture.

The forgoing agreement, easements, restrictions and covenants shall run with the land and shall inure to the benefit of and be binding upon the heirs, administrators, executors, personal representatives, successors and assigns of the parties hereto and shall not be subject to termination without the consent of the utilities herein concerned.

Re: Hamlin Mobile Home Park, Phase 3

Enclosed is the original and one copy of the Agreement-Easement-Restrictions for the above described project. Please have the original executed and returned to us. It appears to me from the evidence that you have furnished that the following parties have an interest in this land:

Two officers of Hamlin Mobile Home Park Inc.

If any additional interest holders are now involved, their signatures are also required.

We will have the officers of Rural and Edison execute the Agreement and return a fully executed copy to you. The copy should be retained by you until you receive the fully executed copy from us.

In order to comply with the recording statutes of the State of Michigan, please have two separate witnesses sign where indicated. The Notary can be one of the witnesses. Also, print or type the names of all parties signing the document, including witnesses and Notary.

Your attention is called to paragraph No. 3 of this Agreement, whereby you would be responsible for any damages which might occur to the Company's underground lines after installation. It is, therefore, extremely important that not only you, but any contractors working for you, exercise due care to avoid any damage.

Prompt return of this instrument, fully completed, will assist in prompt scheduling of our work to be completed in your project. Please return signed document to:

James M. Davenport Jr., Curtis Bldg., 343 S. Main, Suite 212, Ann Arbor, Michigan 48108

If there are any questions, please call me at: 769-9877 in Ann Arbor
