

A CMS Energy Company

May 17th, 2012

Michigan Electric Transmission Company,
an ITC Company
Attn: Fernando Guevara
27175 Energy Way
Novi, MI 48377-3639

Attention: Executive Vice President and Chief Operating Officer

SUBJECT: Proposed: Distribution work in area of METC
138kV Transmission Line – Riggsville- Livingston Line 85I
Reference: Cheboygan/Burt/1006398039/Hatchard

REFERENCE: Amended and Restated Easement Agreement (the "Agreement") dated April 29, 2002, between Consumers Energy Company ("Consumers") and Michigan Electric Transmission Company, now Michigan Electric Transmission Company, LLC ("METC")

Pursuant to Section 7.1 of the Agreement, Consumers hereby notifies METC that Consumers is proposing to raise a secondary existing 46kV Line pole that run under an existing METC transmission line on certain land that METC has an interest under the Agreement. The location of the land on which said work will be performed, and a further description of the intended use, are set forth on "Annex A", attached to this letter.

Under said Section 7.1 of the Agreement, METC must within 30 days of this notice notify Consumers, as "Initiating User," of whether or not METC approves the proposed use as a Compatible Use. If you do not notify us either way within 30 days of this notice, then, as provided in said Section 7.1, METC will be deemed to have approved the proposed use as being a Compatible Use. We would appreciate, however, receiving METC's express approval of the proposed use as being a Compatible Use as soon as possible so that we can start work without delay.
