

having been made to said report or to any of the matters therein or herein,  
and

It appearing that the necessity of the proposed public use as described in the petition filed in this cause and the necessity of taking, acquiring and using the interests in the land described in said petition as Parcels Three and Four were determined and established by Report of Commissioners dated April 29, 1960, and confirmed by order of this Court dated Sept. 6, 1960 and

The Court being fully advised in the premises, on motion of Francis E. Lindsay, attorney for petitioner,

It is Ordered, Adjudged and Decreed that said report of commissioners and all proceedings and acts of said commissioners as shown by their said report be and the same are hereby approved and in all respects confirmed.

It further appearing that petitioner has on this day deposited in the Probate Court the amounts found by said report of commissioners as just compensation and damages to be paid by petitioner to the owners of the lands described in said petition as Parcels Three and Four, for the taking, acquiring and using of the easements and interests in lands hereinafter described,

It is Ordered, Adjudged and Decreed that the title and right to possession and use of the easements and interests in land hereinafter described are hereby vested in petitioner.

The interests in the parcels of land hereinafter described acquired by petitioner are as follows:

The easement and right to erect, lay and maintain one line of poles, wires, cables, conduits and other fixtures and appurtenances for the purpose of transmitting and distributing electricity and/or conducting a communication business on, over, under and across the parcels of land hereinafter described, including all public highways upon or adjacent to said parcels of land; the route to be taken by said line of poles, wires, cables and conduits across, over and under said land being more specifically described with reference to each described parcel.

With full right and authority to Consumers Power Company, its successors, licensees, lessees or assigns, and its and their agents and employees, to enter at all times upon said premises for the purpose of constructing, repairing, removing, replacing, improving, enlarging and maintaining such cables, conduits and poles and other supports, with all necessary braces, guys and

anchors and stringing thereon and supporting and suspending therefrom lines of wires, cables or other conductors for the transmission of electrical energy and/or communication, and also the right, at any time, to trim, remove, destroy or otherwise control all trees and brush on a strip of land 90 feet in width being 45 feet on each side of (and measured at right angles to) the center line of said electric transmission line, also the right to remove all trees, greater than 45 feet in height standing or growing on a strip of land 140 feet in width being 70 feet on each side of (and measured at right angles to) the center line of said transmission line. Said easement shall be subject to the condition that no buildings or other structures will be placed under such wires and/or over such cables without the written consent of said Consumers Power Company, and the condition that no use or a limited use of this easement by Consumers Power Company shall not prevent Consumers Power Company from later making use of the easement to the full extent herein authorized.
