Second party may locate said route on, over and across said above described land, along or adjoining as near as practicable a line, which said line is described as beginning at a point not more than 800 feet nor less than 500 feet East of the West line of Section 26, T37N, R1W, at a point not more than 500 feet nor less than 300 feet North of the South line of said Section, running thence Southeasterly to a point not more than 1800 feet nor less than 1200 feet West of the North and South quarter line of Section 36 of said Township, at a point not more than 300 feet South of the East and West quarter line of said Section 36.
