Michigan Ave., Jackson, Michigan, second party, receipt of which is hereby acknowledged, convey and warrant to the second party, its successors and assigns, forever, the easement and right to erect, lay and maintain lines consisting of poles, wires, cables, conduits and other fixtures and appurtenances for the purpose of transmitting and distributing electricity and/or conducting a communication business on, over, under and across the following described parcels of land, including all public highways upon or adjacent to said parcels of land, which parcels are situated in the Township of Benton, Cheboygan County of Cheboygan, and State of Michigan, to-wit:

The route to be taken by said lines of poles, wires, cables and conduits across, over and under said land being more specifically described as follows: Second party may locate said route on, over and across said above described land along or adjoining as near as practicable a line, which said line is described as beginning at a point not more than 1500 feet nor less than 1200 feet West of the East line of Section 24, Township 37 North, Range 2 West, at a point not more than 550 feet North of the East and West quarter line of said Section, running thence Easterly to a point not more than 1000 feet nor less than 700 feet East of the West line of Section 19, Township 37 North, Range 1 West, at a point not more than 800 feet nor less than 600 feet North of the East and West quarter line of said Section 19, running thence Southeasterly to a point not more than 300 feet East of the North and South quarter line of Section 20, of said Township, at a point not more than 500 feet North of the South line of said Section 20.
