The complete exercise of this right may be gradual and not fully completed for some time in the future.

4. **Access:** Grantor also grants to Grantee the right of access, ingress and egress to the Easement Area on, over and across lands now owned by the Grantor.

5. **Limited Use; Nonuse:** Nonuse or limited use of the rights herein granted shall not prevent later use to the full extent herein conveyed.

Notwithstanding the foregoing, at no time shall Grantee be responsible for any damage to the extent that such damage results from Grantor's negligence. The term "actual damage" as used in this Section is not intended, nor does it include, damage to vegetation within the Easement Area resulting from the Grantee's exercise of its rights under Section 3.
