Attention: Fernando Guevara, Property Management Specialist

SUBJECT: 4800V Distribution Line
1000390749/Secord Twp/Gladwin County/

REFERENCE: Amended and Restated Easement Agreement (the "Agreement") dated April 29, 2002, between Consumers Energy Company ("Consumers") and Michigan Electric Transmission Company, now Michigan Electric Transmission Company, LLC ("METC")

Pursuant to Section 7.1 of the Agreement, Consumers hereby notifies METC that Consumers intends to build a new 4800V distribution line that crosses under a METC transmission line across certain land in which METC has an interest under the Agreement. The location of the land on which said line will be constructed, and a further description of the intended use, are set forth-on "Annex A", attached to this letter.

Under said Section 7.1 of the Agreement, METC must within 30 days of this notice notify Consumers, as "Initiating User," of whether or not METC approves the proposed use as a Compatible Use. If you do not notify us either way within 30 days of this notice, then, as provided in said Section 7.1, METC will be deemed to have approved the proposed use as being a Compatible Use. We would appreciate, however, receiving METC's express approval of the proposed use as being a Compatible Use as soon as possible so that we can start work without delay.

Subject: 480V Distribution Line
CE Reference No. 1000390749/Secord Twp/Gladwin County

The attached request was received from Consumers Energy. CE is proposing to build a 4800V line that crosses under METC's 5S line, east of tower #909 in Sugar Wood trail Road right of way. Furthermore, pursuant to the Amended and Restated Easement Agreement, METC/ITC needs to submit a response letter to CE by **August 29, 2008**.

Please review and return to my attention with your recommendations/comments.
