Attention: Executive Vice President and Chief Operating
Officer

SUBJECT: Proposed: Adding a neutral line to existing
distribution under 138kV line 6G
Reference: Gladwin/Sherman/1005427460/Klender

REFERENCE: Amended and Restated Easement Agreement (the
"Agreement") dated April 29, 2002, between
Consumers Energy Company ("Consumers") and
Michigan Electric Transmission Company, now
Michigan Electric Transmission Company, LLC
("METC")

Pursuant to Section 7.1 of the Agreement, Consumers hereby
notifies METC that Consumers intends to add a neutral line
to an existing distribution line that runs under METC 138kV
transmission line 6G on certain land that METC has an
interest under the Agreement. The location of the land on
which said line will be relocated, and a further
description of the intended use, are set forth on "Annex
A", attached to this letter.

Under said Section 7.1 of the Agreement, METC must within
30 days of this notice notify Consumers, as "Initiating
User," of whether or not METC approves the proposed use as
a Compatible Use. If you do not notify us either way
within 30 days of this notice, then, as provided in said
Section 7.1, METC will be deemed to have approved the
proposed use as being a Compatible Use. We would
appreciate, however, receiving METC's express approval of
the proposed use as being a Compatible Use as soon as
possible so that we can start work without delay.

William B. Smith, a single man, in consideration of ... Dollars \$1.00 to ...
 paid by the CONSUMERS POWER COMPANY, a Maine corporation authorized to do business in Michigan, Michigan, second party, receipt of which is hereby acknowledged. Convey to the said William B. Smith, his heirs, assigns, successors and assigns, forever, the easement and right to erect, lay and maintain lines consisting of power poles with cables, conduits and other fixtures and appurtenances for the purpose of transmitting and distributing electricity and/or conducting a communication business on, over, under and across the following described parcel ... of land, including all public highways upon or adjacent to said parcel ... of land, which parcel ... is situated in the Township of ... County of ... State of Michigan, to-wit:
 The Southeast one-quarter (1/4) of the Southwest one-quarter (1/4) of Section thirty (30), and the East one-half (1/2) of the Northwest one-quarter (1/4) of Section thirty-one (31), all being in Township twenty (20) North, Range two (2) West, excepting therefrom the East Twenty (20) rods of the South forty (40) rods of the Southwest one-quarter (1/4) of said Section thirty (30).

The route to be taken by said lines of wires, poles, wires, cables and conduits across, over and under said land being more specifically described as follows: Second party may locate said route on, over and across said above described land, along or adjoining as near as practicable a line which said line is described as beginning at a point not more than 1600 feet nor less than 1150 feet East of the West line of Section 30, T20N, R2W, at a point not more than 750 feet North of the South, East and West eighth line of said Section, running thence Southeasterly to a point not more than 300 feet East of the North and South quarter line of Section 31 of said Township at a point not more than 700 feet nor less than 600 feet North of the South line of said Section 31.

With full right and authority to the second party, its successors, licensees, assigns or assigns, and its and their agents and employees, to enter at all times upon said premises for the purpose of constructing, repairing, removing, replacing, improving, enlarging and maintaining such cables, conduits and appurtenances, poles and other supports, with all necessary braces, guys, anchors, manholes and transformers, and stringing thereon and supporting and suspending therefrom lines of wire, cables or other conductors for the transmission of electric energy and/or communication, and to trim, remove, destroy or otherwise control any trees and brush which may be in the way of the construction, operation and maintenance of said lines. It is further agreed that no building or other structures will be placed under such wires and/or over such cables without the written consent of said second party, and that the easement shall not be a limited use of this easement by second party shall not prevent second party from later making use of the easement to the full extent herein authorized. Second party to pay at the rate of Eighty Dollars (\$80.00) per mile of length of the line of poles and wires across said above described premises, the same to be paid before any work is done on the land, and also to pay for any damage to crops in erecting and maintaining said line of poles and wires.

Witness the hand and seal of the said first party, this 19th day of August, 1955.
