

OK 29

Date February 21, 1966

IN CONSIDERATION of the sum of One Dollar (\$1.00) and other valuable considerations, receipt of which is hereby acknowledged, we hereby grant to THE DETROIT EDISON COMPANY its successors and assigns, the right to construct, reconstruct, operate and maintain its overhead and underground lines for the transmission and distribution of electricity and Company communication facilities, including the necessary towers, poles, H-frames, conduits, cables, manholes, fixtures, wires and equipment, upon, over, along and under a strip of land 90 feet in width and being a part of lands situated in Township of Sigel County of Huron, State of Michigan, and described as follows:

The Southeast 1/4 of the Northeast 1/4 of Section 6, T 16 N, R 14

The exact location and description of said easement shall be determined to be 45 feet on each side of a center line to be established by a survey of said land to be made by the grantee on or before the 22nd day of May, 1966. The location and route of the lines, conduits and related facilities as herein stated shall be within the width of the easement as finally determined. A description of said center line, as established by the survey, shall be recorded in the office of the Register of Deeds and thereafter, except for the right of ingress and egress and the right granted under Paragraph 3, the rights hereby granted shall apply only to that portion of the land herein described over which the easement as finally determined extends. The right to enter upon said lands for the purpose of making such survey is hereby granted.

1. It is further understood and agreed that the Company, its successors and assigns, shall also have the right to clear and keep clear of trees the land within said easement, and no buildings or structures shall be erected on or placed within the easement without the written consent of the Company, its successors and assigns.
2. The Company, and its successors and assigns, shall have the right of ingress and egress to and from said easement over our lands adjoining said easement for the purpose of exercising the right hereby granted.
3. The Company shall have the further right to keep the land thirty feet on each side of the easement as finally determined clear of those trees which in its judgment are or may become hazardous to the operation of the line constructed in the easement.
4. The Company, or its successors and assigns, shall reimburse the undersigned, or their successors and assigns, for all damage to growing crops, buildings or fences caused by its men, trucks and other vehicles and equipment in entering said property for the purposes herein set forth.
