The route to be taken by said lines of poles, wires, cables and conduits across, over and under said land being more specifically described as follows: Second party may locate said route in a Northeasterly and Southwesterly direction on, over and across said above described land along or adjoining as near as practicable a line, which said line is described as beginning at a point not more than 100 feet North of the North, East and West eighth line of Section 13, Township 29 North, Range 3 East, at a point not more than 900 feet East of the West line of said Section, running thence Northeasterly to a point not more than 100 feet East of the East, North and South eighth line of Section 12 of said Township at a point not more than 700 feet, nor less than 500 feet, South of the North line of said Section 12, running thence Northeasterly to a point not more than 100 feet West of the West, North and South eighth line of Section 32, Township 30 North, Range 4 East, at a point not more than 200 feet North of the North, East and West eighth line of said Section 32.

With full right and authority to the second party, its successors, licensees, lessees or assigns, and its and their agents and employees, to enter at all times upon said premises for the purpose of constructing, repairing, removing, replacing, improving, enlarging and maintaining such cables, conduits and poles and other supports, with all necessary braces, guys, anchors, manholes and transformers, and stringing thereon and supporting and suspending therefrom lines of wire, cables or other conductors for the transmission of electrical energy and/or communication, and to trim, remove, destroy or otherwise control any trees and brush which may, in the opinion of said second party, interfere or threaten to interfere with or be hazardous to the construction, operation and maintenance of said lines. It is expressly understood that no buildings or other structures will be placed under such wires and/or over such cables without the written consent of said second party.
