PERMIT

March 11, 1929

Subject to the following conditions, permission is granted to The Detroit Edison Co.

Detroit, Mich., hereinafter referred to as the Licensee,

to install fibre ducts along the north side of the

Nine Mile Road between Wrenson Street and Wanda Street

Village of Hazle Park.

Distance of approximately 150 feet. Average depth

30" to 36" inches.

1. **Precautions.** During the progress of any construction undertaken within the limits of the said highway in pursuance hereof, red lights shall be placed at night when necessary; and such other signals and precautions shall be provided as under the nature of the operations shall seem prudent.
2. **Accident Liability.** The said Licensee shall be liable for all accidents, both to property and to persons, which may occur as a result of the proposed operations in pursuance hereof.
3. **Roadbed.** No portion of the concrete roadbed of the highway shall be disturbed unless absolutely necessary; and upon the completion of any work, such disturbed portions, whether in the roadbed or within the limits of the roadbed, shall be replaced in such a manner as shall be acceptable to this Board.
4. **Tunneling.** Backfilling shall be well tamped in a workman-like manner.
5. **Trenching.** Trench edge shall be not less than Three ft. (3 ft.) feet from edge of concrete. Every trench shall be backfilled, tamped and left in a level condition.
6. **Moving Loads.** All work shall be done in not more than _____ day's time. This Board reserves the right to revoke this permit at any time the moving operation appears to be damaging the roadway. Highway traffic shall not be blocked or forced to detour.
7. **Cutting Pavement.** All excavated material shall be filled back, subject to our inspection and approval. All paving removed shall be replaced by us; and the expense of same shall be charged to and paid for by the Licensee.
8. **Setting Poles.** Before this permit is issued: Blue-print shall be submitted by said Licensee and approved by the Board; and all locations, size of poles, construction, etc., shall be approved on the ground by this Board.
9. **Trimming or Removing Trees or Shrubs.** A special permit must be obtained for trimming or removing trees or shrubs within the limits of the highway.
10. **Work within Limits of Cities, Towns or Villages.** This permit does not release Licensee from the necessity of also securing permission from any City, Town or Village to perform such work within its limits.
11. **Violation.** The violation of any condition of this permission by the said Licensee shall constitute a forfeiture of all rights hereunder.
12. **Copy of this permit shall be kept on the work, subject to inspection at all times by this Board or its agents.**
