PERMIT

May 1, 1929

2

Subject to the following conditions, permission is granted to The Detroit Edison Co.

Detroit, Mich., hereinafter referred to as the Licensee,

to cut pavement (2'x6' opening) at the intersection of Woodward Heights Blvd. and Campbell Road. Also to install underground conduit across Campbell Road.

1. **Precautions.** During the progress of any construction undertaken within the limits of the said highway in pur hereof, red lights shall be placed at night when necessary; and such other signals and precautions shall be provided under the nature of the operations shall seem prudent.
2. **Accident Liability.** The said Licensee shall be liable for all accidents, both to property and to persons, which may occur a result of the proposed operations in pursuance hereof.
3. **Roadbed.** No portion of the concrete roadbed of the highway shall be disturbed unless absolutely necessary; and upon the completion of any work, such disturbed portions, whether in the roadbed or within the limits of the roadbed, shall b replaced in such a manner as shall be acceptable to this Board.
4. **Tunneling.** Backfilling shall be well tamped in a workman-like manner.
5. **Trenching.** Trench edge shall be not less than \_\_\_\_\_ feet from edge of concrete. Every tr shall be backfilled, tamped and left in a level condition.
6. **Moving Loads.** All work shall be done in not more than \_\_\_\_\_ day's time. This Board reserves the right to revoke this permit at any time the moving operation appears to be damaging the roadway. Hi traffic shall not be blocked or forced to detour.
7. **Cutting Pavement.** All excavated material shall be filled back, subject to our inspection and approval. All paving removed shall be replaced by us; and the expense of same shall be charged to and paid for by the Licensee.
8. **Setting Poles.** Before this permit is issued: Blue-print shall be submitted by said Licensee and approved by the Board; all locations, size of poles, construction, etc., shall be approved on the ground by this Board.
9. **Trimming or Removing Trees or Shrubs.** A special permit must be obtained for trimming or removing trees or sh within the limits of the highway.
10. **Work within Limits of Cities, Towns or Villages.** This permit does not release Licensee from the necessity of also secur- ing permission from any City, Town or Village to perform such work within its limits.
11. **Violation.** The violation of any condition of this permission by the said Licensee shall constitute a forfeiture of all ri hereunder.
12. **Copy of this permit shall be kept on the work, subject to inspection at all times by this Board or its agents.**

13. Back filling to be done in a manner acceptable to the Oakland County Road Commission.

14. Pavement to be relaid 10" thick, with a 1-2-3½ mix of concrete.
