RECOMDED RIGHT OF

50

June 27

Part of the Northeast 1/4 of Section 1, Town 1 North, Range 11 East, described as a twelve (12) foot wide easement, the centerline of which is approximately 1457 feet South of and parallel to the southerly right of way line of Fourteen Mile Road and extending West 350 feet from the westerly right of way line of Industrial Drive.

It is the intention herein that the location of the centerline of said easement shall be the line as installed and that the width of the right of way granted herein shall be limited to <u>twelve (12)</u> feet, the centerline of which shall be the line as installed.

NAN The rights hereby granted include the right of access to and from the said right of way, and to trim or cut down any trees in said right of way or upon NO Grantors adjacent property, which, in the Company's opinion, at any time interfere with the construction and operation of the electric line. It is expressly understood and agreed that the Company shall not trim or cut down any trees unless, in its opinion, it is absolutely necessary to do so. Upon the written consent of the Company, buildings or structures may be placed within said right of way. This grant shall be binding upon the successors and assigns of the parties. Before construction is completed, the Company shall pay the sum of Five and 00/100 (\$5.00) Dollars for each pole and each anchor, or the sum of Five and 00/100 (\$5.00) Dollars if no poles or anchors are used. The Company shall reimburse the grantors and assigns for damage caused by its employes, vehicles and equipment in entering the property for the purposes set forth in this agreement. In no event may the Corporation place any buildings or structures (other than utility poles) in the right of way. ROSS OPERATING VALVE COMPANY WITNESS:
