LIBER 4407 PAGE 849

Date February 13, 1963.

IN CONSIDERATION of the sum of One Dollar (\$1.00) and other valuable cons	iderations, receipt of which
is hereby acknowledged. We hereby grant to THE DETROIT EDISON COMPAN	Vita successors and agains the
right to construct, reconstruct, operate and maintain its overhead and undergroup	und lines for the transmission
and distribution of electricity and Company communication facilities, including	the necessary towns noles
H-Irames, conduits, cables, manholes, fixtures, wires and equipment, upon. over	along and under a strip of
land leet in width and being a part of lands situated in Farmin	gton Township
County of Oakland , State of Michigan, and described as follows:	

The West 160 acres of the North 1/2 of Section 30, Town 1 North, Range 9 East.

The exact location and description of said easement shall be determined to be 45 feet on easide of a center line to be established by a survey of said land to be made by the grantee on or before the day of 1963. The location and route of the lines, conduits and related	oh
13th day of July 1963. The location and route of the lines conduits and related	
facilities as herein stated shall be within the width of the easement as finally determined. A description o	f
said center line, as established by the survey, shall be recorded in the office of the Register of Deeds and	
thereafter, except for the right of ingress and egress and the right granted under Paragraph 3, the rights	
hereby granted shall apply only to that portion of the land herein described over which the easement as final	lу
determined extends. The right to enter upon said lands for the purpose of making such survey is hereby grant	ed.

1. It is further understood and agreed that the Company, its successors and assigns, shall also have the right to clear and keep clear of trees the land within said easement, and no buildings or structures shall be

erected on or placed within the easement without the written consent of the Company, its successors and assigns.

2. The Company, and its successors and assigns, shall have the right of ingress and egress to and from said easement over our lands adjoining said easement for the purpose of exercising the right hereby

granted.

3. The Company shall have the further right to keep the land thirty feet on each side of the easement as finally determined clear of those trees which in its judgment are or may become hazardous to the operation of the line constructed in the easement.

Our successors and assigns. shall reimburse the undersigned, or our successors and assigns.

4. The Company, or its successors and assigns, shall reimburse the undersigned, or our successors and assigns, for all damage to growing crops, buildings or fences caused by its men, trucks and other vehicles and equipment in entering said property for the purposes herein set forth.
