The West 160 acres of the North 1/2 of Section 30, Town 1 North, Range 9 East.

The location and route of the lines, conduits and related facilities as herein stated shall be within the width of the easement as finally determined. The right to enter upon said lands for the purpose of making such survey is hereby granted.

1. It is further understood and agreed that the Company, its successors and assigns, shall also have the right to clear and keep clear of trees the land within said easement, and no buildings or structures shall be erected on or placed within the easement without the written consent of the Company, its successors and assigns.
2. The Company, and its successors and assigns, shall have the right of ingress and egress to and from said easement over OUR lands adjoining said easement for the purpose of exercising the right hereby granted.
3. The Company shall have the further right to keep the land thirty feet on each side of the easement as finally determined clear of those trees which in its judgment are or may become hazardous to the operation of the line constructed in the easement.
4. The Company, or its successors and assigns, shall reimburse the undersigned, or OUR successors and assigns, for all damage to growing crops, buildings or fences caused by its men, trucks and other vehicles and equipment in entering said property for the purposes herein set forth.
