Mr. C. W. Ham, City Manager
City of Pontiac
Michigan

Dear Sir:-

The Detroit Edison Company respectfully asks permission to install one 4" fibre duct from Manhole #7525, in Woodward Avenue (Saginaw Street) approximately 390' South of South property line of South Boulevard, to cable pole about 10' North, in the City of Pontiac, Michigan. This duct is to provide for new D.U.R. feeder from Bloomfield Substation to cable pole.

Herewith are two blue prints #U575-443 showing exact location and information of the proposed installation.

It is understood, of course, that the work will be done in a first class manner and under your supervision.

If you see no objection to the installing of this conduit, will you kindly approve and return copy of this letter?

Yours truly,

Right of Way Agent.
