Dear Madam:-

The Detroit Edison Company respectfully asks permission to install twelve 4" fibre ducts and necessary manholes, with drains for same, in West Maple, from Woodward Avenue to Pierce Street, and in Pierce Street, from West Maple to opposite South curb line of Martin Street, in the Village of Birmingham, Michigan. This conduit is to provide for street lighting circuit cables and primary cables from cable pole to substation.

Attached are two blue prints #380-677 showing exact location and other details of the proposed installation.

We are anxious to start the above work as soon as the necessary permit is granted.

Yours truly,

Right of Way Agent.
