

Date January 16, 1974

27/5

For good and valuable considerations, the right is hereby granted to The Detroit Edison Company, 2000 Second Avenue, Detroit, Michigan 48226, its successors and assigns, to construct line facilities for the purpose of providing electric service and Company communication service including the necessary poles, guys, anchors, wires and equipment upon, over and across the property described hereinafter. The rights hereby granted include the right of access to and from the said premises, the right to construct, reconstruct, modify, operate and maintain said line facilities, and to trim or cut down any trees belonging to the grantor, either within said right of way or upon the lands of the grantor adjoining said right of way, which, in the opinion of the grantee, at any time interfere with the construction and operation of said line facilities. It is expressly understood and agreed that the grantee shall, at no time, trim or cut down any trees unless, in the grantee's opinion, it is absolutely necessary to do so. Upon the written consent of the grantee, buildings or structures may be placed within said right of way. This grant shall be binding upon the successors and assigns of the grantors. Before construction is completed, the Company shall pay the sum of Five and 00/100 (\$5.00) Dollars for each pole and for each anchor, or the sum of Five and 00/100 (\$5.00) Dollars if no poles or anchors are installed. The Company shall reimburse the grantors and assigns for all damage caused by its men, vehicles and equipment in entering said property for the purposes set forth herein.

The property over which this grant is conveyed is situated in the Township of Milford,
County of Oakland, State of Michigan and further described as follows:

The Westerly 12 feet of the Easterly 436 feet of the North 40 rods of the West 40 rods of the N.W. Frc. 1/4 of Section 5, Township 2 North, Range 7 East.

Relocation Clause: Upon thirty (30) days written notice, the Detroit Edison Company shall make such changes and alterations in Said Lines as shall be necessary at the time to make way for any buildings in the course of erection or any improvements on Said Land.
