Detroit, Michigan

Dear Sir:-

In order to accomodate paving operation and clear trees along the General Motors Road past your property in Sections 10 and 15 Milford Township, we would like to ask your permission to set certain poles along the above road but on your private property according to inclosed blue print D-3745 as outlined to you by our Mr. Hedden.

We, of course, agreed to relocate these poles at any time so as to harmonize with any buildings or improvements which you or your grantees may plan in the future.

If this is satisfactory to you perhaps you would be willing to approve one copy of this letter and return to us, retaining the other for your files.

We enclose stamped envelope.

Yours truly,

J. B. Hayes
Asst. Right of Way Agent.
