H. J. MORTON
ELECTRICAL SUPT.

May 28th, 1928.

Detroit Edison Company,
2000 Second Avenue,
Detroit, Michigan.

ATTENTION - Mr. T. L. Hinks, Right of Way Agent.

Gentlemen:-

Regarding your request of May 5th to install conduit and necessary manholes in South Boulevard West of Woodward Avenue in the city of Pontiac, beg to advise that this matter has been sent to the Engineering Department to be checked and in a telephone conversation with them this morning, they advise me that they would have the matter settled and on its way to you in a day or so.

I think the only reason for the delay is that there has been an immense amount of this kind of work to be done just at the present time in lieu of the large amount of construction that the utilities are doing.

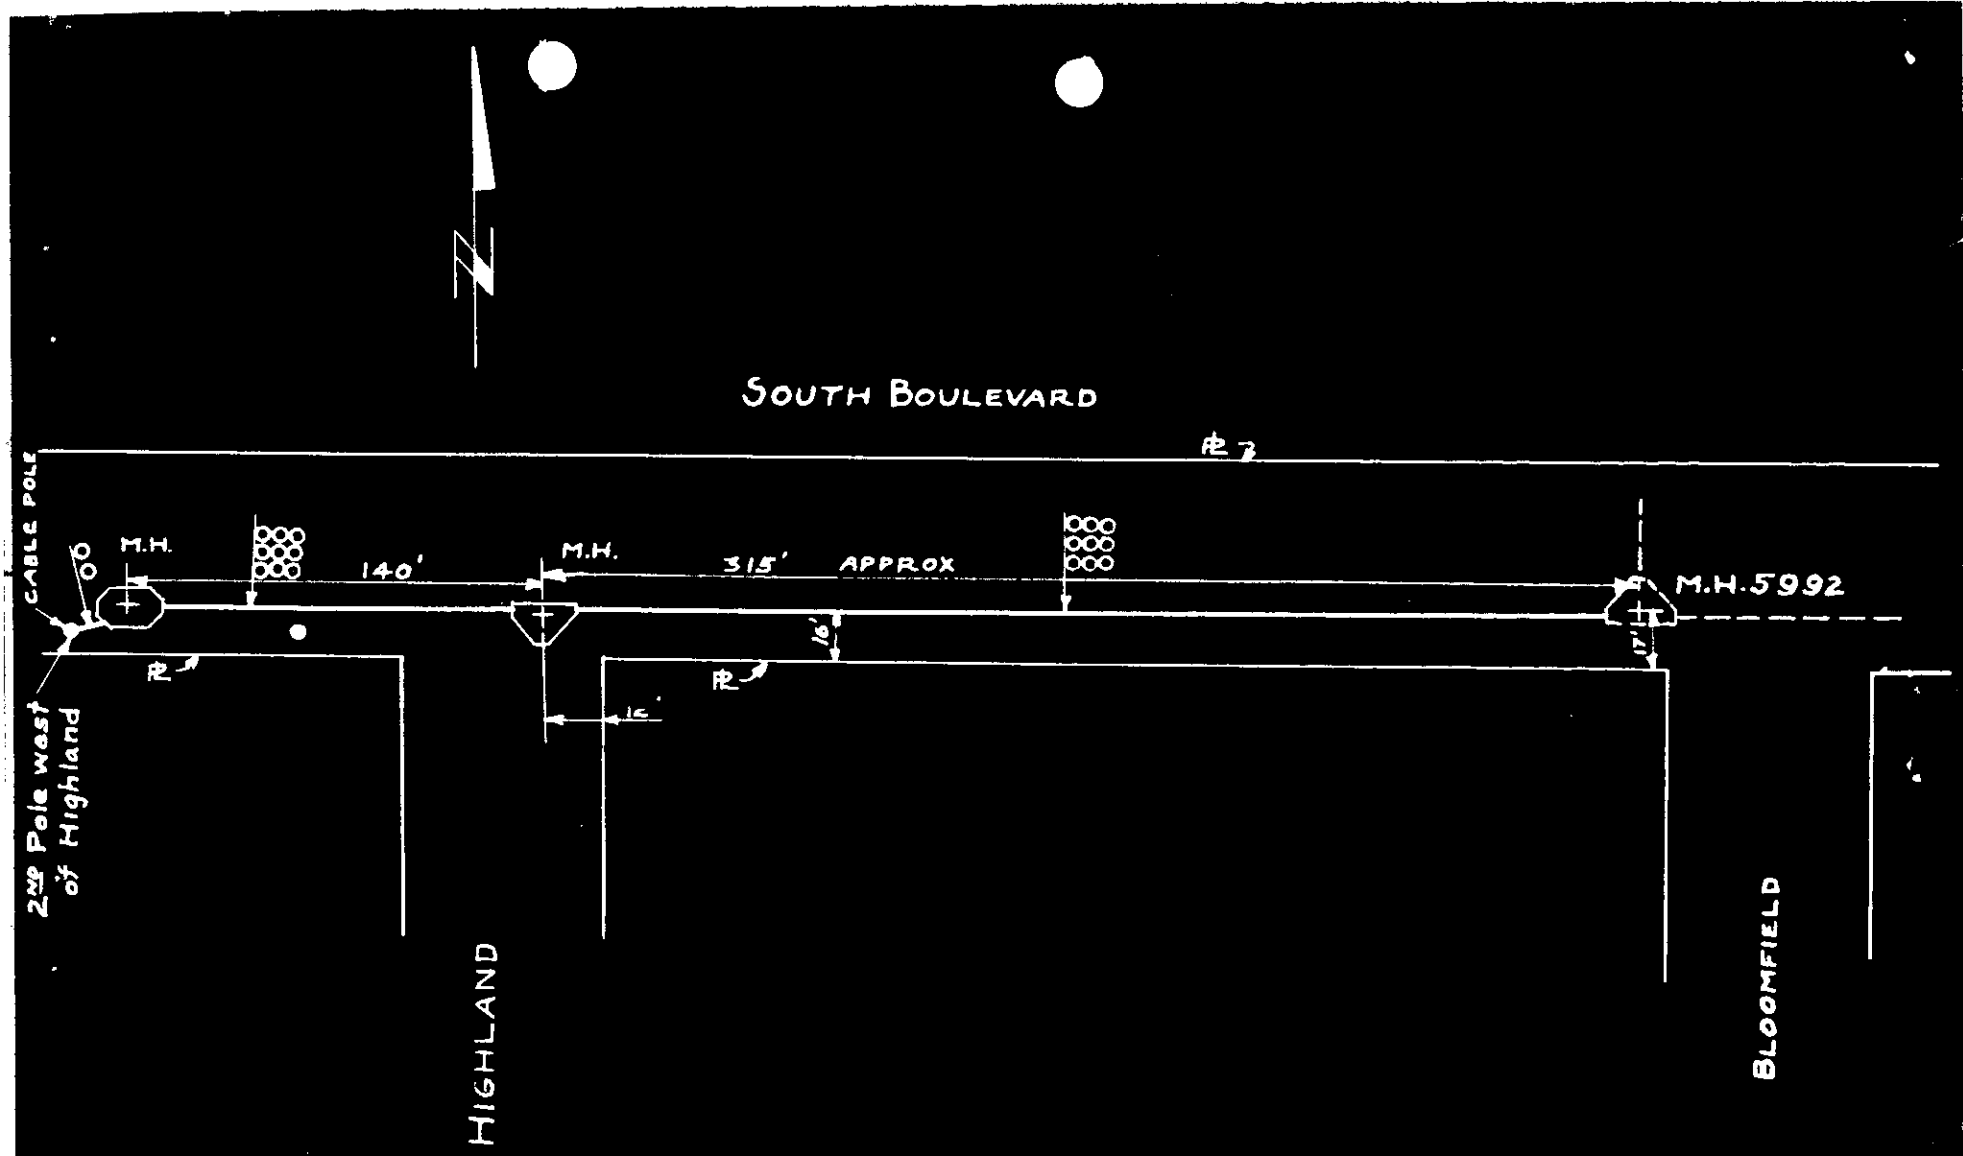

Trusting that this is satisfactory, beg to remain

Very truly yours,

H. J. Morton
Electrical Supt.
