RIGHT OF WAY FILE No. 7647

June 19th, 1928

Mr. C. W. Ham, City Manager
City of Pontiac
Michigan

Dear Sir:-

The Detroit Edison Company respectfully asks your permission to install nine 4" fibre ducts and necessary manholes, with drains for same, in South Boulevard, from West of Highland Avenue to the West side of Franklyn Road, in the City of Pontiac, Michigan. This conduit is to be installed in advance of pavement on Franklyn Road and is an extension of work previously done in that locality.

Herewith are two blue prints #U378-501 showing exact location and information of the proposed installation.

It is understood, of course, that the work will be done in a first class manner and under your supervision, cost of inspection to be paid by Edison Company upon presentation of a bill for same.

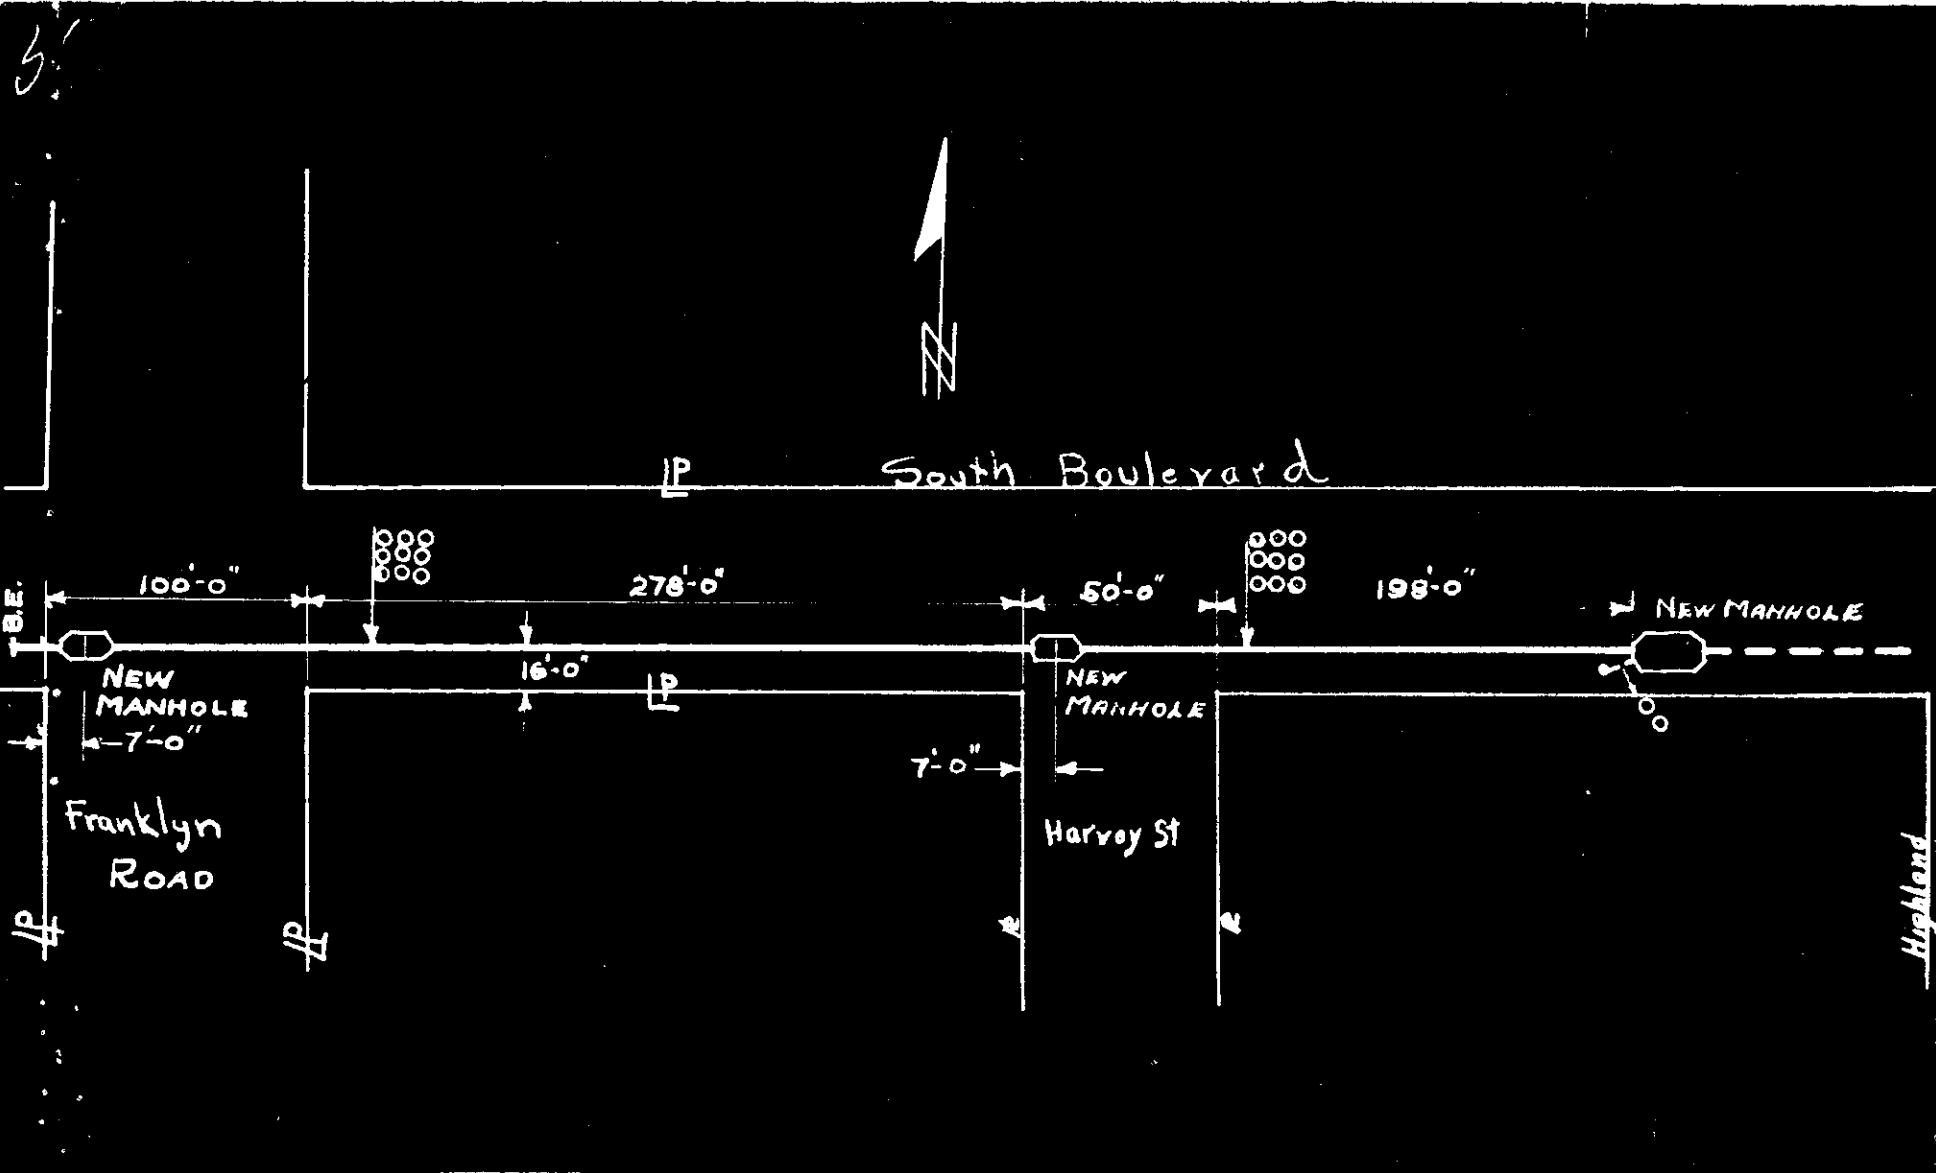

If you see no objection to the above, will you kindly approve and have the necessary permit sent to the writer?

Yours truly,

Right of Way Agent.
