Director of Real Estate  
Detroit Edison Company  
2000 Second Avenue  
Detroit, Michigan 48226

Dear Mr. Tewksbury:

On August 29, 1985 we sold our abandoned right of way east of East Boulevard in Pontiac, Michigan to GLS LeasCo, Inc.

Overhead wire crossings covered by Permit No. 187 dated April 16, 1949 and Permit No. 336 dated November 1, 1958 under the Master Agreement dated January 2, 1932 have been cancelled effective August 29, 1985.

Because of the nominal consideration involved the annual rents will not be prorated.

Yours very truly,

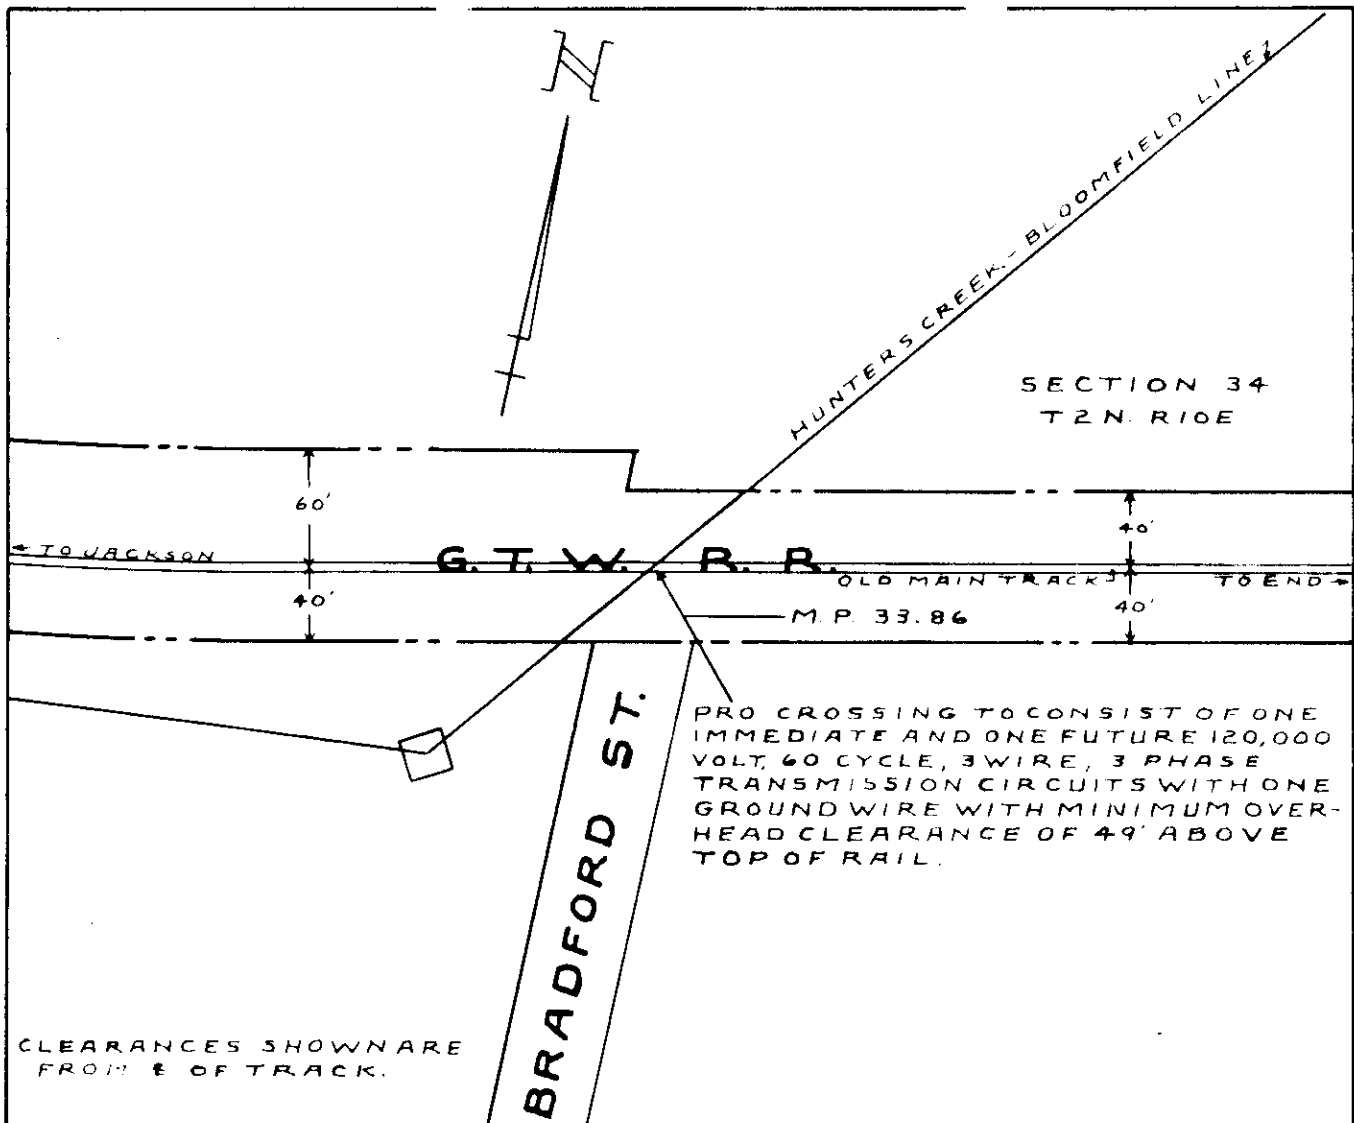

T. J. Rigley  
Manager, Property Management
