Gentlemen:

RE: OAKPOINTE SUBDIVISION

Enclosed is the original and one copy of the Right of Way Agreement for the above described project. Please have the original executed and returned to us. The copy should be retained by you for your records.

In order to comply with the recording statutes of the State of Michigan please have two separate witnesses. The notary can be one of the witnesses. Also, print or type the names of all parties signing the documents, including witnesses, and notary.

Your attention is called to Paragraph No. 4 of this agreement, whereby you would be responsible for any damages which might occur to the Company's underground lines after installation. It is, therefore, extremely important that not only you, but any contractors working for you, exercise due care to avoid any damage.

Prompt return of this instrument, fully completed, will assist in prompt scheduling of our work to be completed in your project. Please return all documents addressed to: The Detroit Edison Company, 30400 Telegraph Road, Birmingham, Michigan, 48010. Attn: Stuart R. Chipman, Room 264.

Sincerely,

Stuart R. Chipman, Representative Real Estate, Rights of Way & Claims
