

For good and valuable considerations, the right is hereby granted to THE DETROIT EDISON COMPANY, 2000 Second Ave. Detroit, Michigan, their licensees, lessees, successors and assigns, to construct aerial and/or underground line facilities for the purpose of providing electric service and communication service including necessary poles, guys, anchors, conduits, wires, cables, manholes, transformers and equipment in, under, upon, over and across the property located in the Township of

Highland, County of Oakland, State of Michigan, further described as follows:

The East 12 feet of the following described property; Lots 53, 55 & 57, Ruggles and St. John Plat as recorded in Liber 3 Page 25, Oakland County Records; Part of the East 1/2 of the northeast 1/4, Section 27, Township 3 North, Range 7 East.

with full right of ingress and egress upon the said premises to employes or appointees of the said grantees to construct, reconstruct, repair, operate and maintain said line facilities, and to trim or cut down any trees which in the opinion of the grantees at any time interfere or threaten to interfere with the construction and operation of said line facilities.

The route of overhead line facilities is described as follows:

In a northerly and southerly direction across said land, along a line approximately 6 feet West of the East lot line.

~~Underground lines are to be located in accordance with attached drawings which show the location of said lines and the location of the poles, guys, anchors, conduits, wires, cables, manholes, transformers and equipment to be used in the construction and operation of said line facilities.~~

This grant is hereby binding upon the heirs, successors and assigns of the undersigned grantor
