limitations of the "Order Issuing License (Major)" of the United States of America, Federal Power Commission (Federal Energy Regulatory Commission) now pertaining to Project No. 2448 (Mio Dam) and, to the extent they may be determined applicable, subject also to the Rules and Regulations of the Secretary of Agriculture dated August 5, 1938, a copy of which is attached hereto and made a part hereof as Exhibit "D".

RESERVING ALSO TO the Grantor, its successors or assigns, all oil, gas, and associated hydrocarbon substances in and under the lands described in Exhibit "B-1", together with the right to enter upon said lands and to prospect for, mine, and remove said oil, gas, and hydrocarbon substances, Forever, subject to the Rules and Regulations of the Secretary of Agriculture, dated April 30, 1963, a copy of which is attached hereto and made a part hereof as Exhibit "C".

RESERVING ALSO TO the Grantor, its successors or assigns, Forever, subject to the Rules and Regulations of the Secretary of Agriculture, dated August 5, 1938, a copy of which is attached hereto and made a part hereof as Exhibit "E", the easement and right to construct, erect, lay and maintain one or more lines consisting of poles, wires, cables, conduits and other fixtures and appurtenances for the purpose of transmitting and distributing electricity and/or conducting a communication business on, over, under, and across certain strips of land 30 feet in width over a portion of the premises herein conveyed, said strips being described in Exhibit "F" attached hereto and made a part hereof, with full right and authority to Grantor, its successors, licensees, lessees, or assigns, and its and their agents and employees, subject to said Rules and Regulations set forth at Exhibit "E", to enter at all times upon said strips of land for the purpose of patrolling, constructing, repairing, removing, replacing, improving, enlarging, and maintaining such wires, cables, conduits, structures, towers, poles and other supports with all necessary braces, guys, anchors, manholes, and transformers and stringing thereon, and supporting and suspending therefrom lines of wire, cables, or other conductors for the transmission of electrical energy and/or communication, and also the right to cut, trim, remove, destroy, or otherwise control all trees and brush growing upon said 30-foot wide strips of land which may, in the opinion of Grantor, interfere or threaten to interfere with or be hazardous to

the construction, operation, and maintenance of said lines. No buildings or other structures will be placed on said strips of land without the written consent of Grantor. Limited use of a part of the easement area reserved by the Grantor and occupied by Grantor's distribution line facilities shall not constitute abandonment as to any unused portion of said easement area which is situated within the easement boundaries and located to either side of that portion of said easement area occupied by Grantor's distribution line facilities.

The acquiring agency is the Forest Service, Department of Agriculture.
