**RE: Letter of Reliance
Phase I Environmental Site Assessment
Drysdale Property, Section 3, Hayes Township,
Otsego County, Michigan
Dated June 16, 2015**

Dear Mr. McNulty:

Compliance, Inc. prepared the above referenced Phase I Environmental Site Assessment report (the "Report"), for Wolverine Power Supply Cooperative, Inc. (the Client) pursuant to a financial transaction concerning the property. At the request of our Client and subject to the terms of the Report, Compliance, Inc. hereby authorizes Michigan Electric Transmission Company, LLC (the "Relier") to use and rely upon the Report to the same extent and in the same manner as if it had been addressed to the Relier at the time of its issuance.

The Report was prepared in accordance with applicable, customary and generally accepted professional and technical standards ordinarily exercised by other environmental consulting professionals providing similar services under similar circumstances in the location and at the time the subject services were provided and the Report was prepared. Compliance, Inc. makes no representations or warranties to the Relier regarding compliance with any other standard. Reliance upon the Report by the Relier is subject, in all respects, to this letter and the conditions set forth in the Report.

Your acceptance of this letter or use of the Report constitutes acceptance of the foregoing.

Sincerely yours,
Compliance, Inc.
