RCVD JUL 16 '12 AM 10:43

On June 26, 2012, for good and valuable consideration, the receipt of which is hereby acknowledged, Grantor conveys and warrants to Grantee, its successors and assigns, a permanent, perpetual easement over, under, across and through a part of Grantor's Land called the Easement Area, as herein described.

Grantor is: Kathleen M. Wilde, a married woman, formerly known as Kathleen M. Anderson, of 594 Parmater Road, Gaylord, Michigan 49735.

Grantee is: Michigan Electric Transmission Company, LLC, a Michigan limited liability company, of 27175 Energy Way, Novi, Michigan 48377.

Grantor's Land is in Section 16, Town 31 North, Range 3 West, Township of Livingston, County of Otsego and State of Michigan, and is more completely described in Exhibit A attached hereto.

The Easement Area is within Grantor's Land, and is more completely described under the heading "Easement Description" in Exhibit A attached hereto.

1. Purpose: The purpose of this Easement is to allow Grantee the right to enter at any time upon the Easement Area to (1) construct, operate, maintain, repair, inspect, replace, improve, enlarge or remove overhead electric lines consisting of poles, towers, structures, wires, cables (including fiber optic cable) and other equipment for transmitting electrical energy and communications signals, (2) cross the Easement Area to construct, operate, maintain, repair, inspect, replace, improve, enlarge or remove overhead electric equipment located on other land, and (3) temporarily improve the surface of the Easement Area, as reasonably necessary, in Grantee's discretion, to place and operate Grantee's construction vehicles and equipment; provided Grantee shall remove such temporary surface improvements, and repair pavement and reseed lawn areas it disturbs.

2. Buildings or other Permanent Structures: With the exception of any buildings or above-ground structures existing at the time of execution of this Easement, no buildings or other above-ground structures shall be installed, constructed or permitted in the Easement Area without Grantee's prior written consent. Grantee may remove prohibited structures from the Easement Area without prior notice and without responsibility for any damage that occurs as a result of such removal.

3. Vegetation Management: Grantee shall have the right at any time to cut, trim, remove, destroy or otherwise control any or all trees, bushes, or brush now or hereafter standing or growing within the Easement Area. The complete exercise of this right may be gradual and not fully completed for some time in the future.
