Grantor, in consideration of One and no/100 Dollars (\$ 1.00) to him paid by CONSUMERS POWER COMPANY, a Michigan corporation, 212 W. Michigan Ave., Jackson, Michigan, Grantee, receipt of which is hereby acknowledged. Conveys and Warrants to Grantee, its successors and assigns, Forever, the easement and right to erect, lay and maintain lines consisting of towers, poles, wires, cables, conduits and other fixtures and appurtenances for the purpose of transmitting and distributing electricity and/or conducting a communication business on, over, under and across the following described land, including all public highways upon or adjacent to said land, which land is situate in the Township of Livingston County of Otsego and State of Michigan, to-wit:

The East 25 rods of the South 140 rods of the East 1/2 of the Southeast 1/4 of Section 31, Township 31 North, Range 3 West, excepting therefrom the Boyne City, Gaylord and Alpena Railroad right of way.

The route to be taken by said lines of towers, poles, wires, cables and conduits across, over and under said land being more specifically described as follows:

The center line of said route being Northerly of and along and not more than 166 1/2 ft. nor less than 156 1/2 ft. from the South line of Section 31, Township 31 North, Range 3 West.

Together with the full right and authority to Grantee, its successors, licensees, lessees or assigns, and its and their agents and employees, to enter at all times upon said premises for the purpose of constructing, repairing, removing, replacing, patrolling, improving, enlarging and maintaining such cables and conduits and such towers, poles and other supports, with all necessary braces, guys, anchors, manholes and transformers, and stringing thereon and supporting and suspending therefrom lines of wire, cables or other conductors for the transmission of electrical energy and/or communication, and to trim, remove, destroy or otherwise control any trees and brush which may, in the opinion of Grantee, interfere or threaten to interfere with or be hazardous to the construction, operation and maintenance of said lines. Grantor agrees that no buildings or other structures will be placed under or over said facilities or within such proximity thereto as to interfere with or threaten to interfere with the construction, operation or maintenance of said facilities. It is expressly understood that non-use or a limited use of this easement by Grantee shall not prevent Grantee from later making use of the easement to the full extent herein authorized.

Where applicable, pronouns and relative words used herein shall be read as plural, feminine or neuter.

Second party to pay first party for any damage to crops in erecting and maintaining said line of towers, poles and wires.

IN WITNESS WHEREOF, Grantor has executed this instrument this 11th day of September 19 68.
