Subject: Easement-Section 28, Corwith Township, Otsego County, Michigan
Livingston-Vanderbilt Capital Project – B0002867

Attached are papers related to the acquisition of a Transmission Line Easement, dated June 28, 2012 to Michigan Electric Transmission Company, LLC (METC) from Devonian Hydrocarbons, Inc., whose address is 1019 Essex, Weidman, Michigan 48893.

The Livingston-Vanderbilt transmission line was upgraded from a 138kV circuit to a future 230kV transmission line. Additional rights were acquired to support the upgrade. The additional easement area is shown shaded in gray on attached survey drawing.

The easement consideration fee was \$5,664.00, paid by a check issued by Land Matters, LLC.

The easement was negotiated by Deborah S. Poeder, Land Matters, LLC.

Please incorporate these papers into the appropriate METC database file.
