patrolling, improving, enlarging and maintaining such pole structures, poles and other supports or any combination of same, with all necessary crossarms, braces, guys, anchors, and transformers, and stringing thereon and supporting and suspending therefrom lines of wire, cables or other conductors for the transmission of electrical energy and electric control circuits and devices.

Also conveying the right to cut, trim, remove, destroy or otherwise control (1) all trees and brush on the land of the Grantor described in this easement within 50 feet on each side of the center line of the pole structures, poles and wires comprising said electric line, and (2) all trees in excess of 40 feet in height on the land of the Grantor described in this easement within 85 feet on each side of the center line of the pole structures or poles. It is expressly agreed that the complete exercise of the rights herein granted to cut, trim, remove, destroy or otherwise control trees and brush may be gradual and not fully completed for some time in the future. Grantee may enter upon said land, from time to time, to cut, trim, remove or otherwise control trees and brush as aforesaid.

It is expressly agreed that, for the protection of said electric line, no buildings or other structures will be placed within 36 feet on each side of the center line of the pole structures, poles and wires comprising said electric line. Grantee shall pay for all damage to crops arising out of the construction, operation and maintenance of the electric line.

It is expressly understood that nonuse or a limited use of this easement by Grantee shall not prevent Grantee from later making use of the easement to the full extent herein conveyed.

Where applicable, pronouns and relative words used herein shall be read as plural, feminine or neuter.

Grantor, DIAMOND SHAMROCK CORPORATION, in consideration of One a Delaware corporation, Cleveland, Ohio and no/100 Dollars (\$1.00) to him paid by CONSUMERS POWER COMPANY, a Michigan corporation, 212 W.
